

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over sixty years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to giving top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines always provides fresh design concepts as proven in their product development. They enjoy offering items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly devoted to having both technical support and parts obtainable when it is required. Their high service commitment is one of the core values in their customer service. Keeping their clients' cleaning machines ready and working everyday is top priority. The company's top of the line technology delivers dependable machinery which eventually reduces your cleaning cost. The price, the service and the product all work as one to be able to make them an industry leader.
